LETTER CONCERNING ADVISORY ACTION AND RCE FILINGCommissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dated: March 14, 2005

Sir:

The "Advisory Action Before the Filing of an Appeal Brief" mailed February 25, 2005 has been received and carefully noted.

A telephone call was placed with the Examiner concerning this Advisory Action and the fact that an Amendment under 37 CFR 1.116 had been filed in this application as well as a Notice of Appeal to prevent the application from becoming abandoned. Based on our discussion with the Examiner, the Examiner confirmed that, if an Appeal Brief was not to be filed, a "Request for Continued Examination" (RCE) along with a "Petition for Extension of Time" of one month was the appropriate response to the February 25, 2005 Advisory Action. Accordingly with this Letter, we submit a RCE and a Petition for Extension of Time (one month) and the appropriate payment of fees via credit card form for filing in this application.
